

O You wrap Your arms

Richard D Oates

O you wrap your arms a - round me, I feel your pre - cious love, I tell you all my trou - bles,
I don't know ab - out the fu - ture but I re - ly on you to give me what is right - eous

I share with you my pain. You tell me not to wo - rry, but trust in things to come.
to help my soul to grow. If you bring pain and sor - row, give me the grace to bear,

I know that you are with me to help me through this life.
keep me from be - ing self - ish, and hold me if I fall.
